

## **Champions Edge 21-Day Productivity Program**

### **Description**

#### **What is It?**

The 21-Day Productivity Program is a results oriented program that enables people to:

*Reach their goals more quickly, easily and naturally*

*Experience “winning” daily*

*Benefit from the synergy of a team*

*Operate at 100% capacity*

*Integrate new habits which support personal relationships, well being and personal development*

#### **How Does It “Work”?**

Over three weeks and one day, participants engage in daily conference calls lasting 25-30 minutes each, Monday through Friday, facilitated by a Champions Edge Specialists.

In addition to the team approach, one on one coaching is included.

During the program participants will:

*Set a single goal to accomplish within 21 days*

*Identify the resources needed to reach the goal*

*Identify and eliminate what stops them from producing the result they want*

*Learn and use specific principles for productivity*

*Report daily on their progress to the team and coaches*

*Discover the art of goal setting and communicating for action*

### ***Why Does It Work?***

The program works because of four factors:

***Structure***—Reporting each day to a team and a coach creates an urgency to produce, motivating participants to action.

***Coaching***—Champions produce extraordinary results out of their relationship with a coach who is committed to their success. Trained productivity specialists coach participants to achieve their highest performance levels.

***Technology***—A Specific 5-step technology directs participants, enabling results to occur.

***Principles***—Daily principles and assignments deliver to the participants a specific, hands-on strategy, enabling them to reach their goals more quickly and easily.

### ***When does It start?***

New groups are starting frequently, based on the number of participants.

### ***What is the price?***

\$350 for the easiest breakthrough you ever designed!
